

**CHIGNECTO-CENTRAL  
REGIONAL SCHOOL BOARD**

**POLICY #OS-G-06**

**ENVIRONMENT: OTHER**

[BOARD MINUTE #06-97, Page 3]

The Chignecto-Central Regional School Board believes that the school environment should be clean, healthy and safe.

Also, the Board recognizes that the health of students and staff may be negatively affected by conditions and/or substances used within a school building or vehicles.

Accordingly, the Board acknowledges its responsibility to ensure that Board operated facilities and vehicles are as safe as possible such that potential negative health effects on individuals is minimized.

To this end, the Board expects the Superintendent of Schools (or designate) to prepare, implement and monitor guidelines and procedures to promote the following:

- Board owned and/or operated facilities and vehicles are as clean, healthy and safe as possible within current regulatory guidelines;
- conditions and/or substances used within Board owned or operated facilities do not knowingly impair, harm or injure the health of users and occupants;
- in schools, facilities or vehicles where an occupant or user has been identified as having an allergy or negative reaction to one or a variety of conditions and/or substances, those responsible for the school, facility or vehicle have a plan in place to minimize chances of exposure and/or respond appropriately to the negative effects on the individual(s) of such substances and conditions as:
  - perfumes/lotions and other scented chemicals \*
  - peanut butter, nuts, seafood, etc.
  - allergic reactions
  - smoke
  - lighting
  - noise

- certain types of furniture
  - water
  - gases
  - animals
  - other products/conditions identified as likely to cause discomfort; and
- concerns/complaints regarding any aspect of school/work-site conditions are addressed promptly.
- \* **NOTE:** Further to the above list, schools should make a determined effort to reduce the level of scented products in each building.
