Canada's French Public Speaking Contest

Concours d'art oratoire 2017

Canadian Parents for French, Nova Scotia is delighted to invite your students to participate in the annual Concours d'art oratoire (provincial French public speaking competition) on **Saturday, May 6 at Mount Saint Vincent University, Seaton Academic Centre.**

The Concours d'art oratoire allows Canadian Parents for French to sponsor an activity where students from across the province express themselves and are recognized for their talents in French public speaking. For many teachers, it is an opportunity to incorporate public speaking into their curriculum so that all their students benefit from the use of their researching, writing and presentation skills.
